MEDIA OWNERSHIP AND DEMOCRACY

Note
1 In June 2003 a US Appeals Court in Philadelphia blocked implementation of the FCC’s media ownership rules stating that it had fallen short of supporting the changes ‘with reasoned analysis’.

References

Robert W. McChesney is the author of eight books on the media and politics, including The Global Media with Edward Herman and Rich Media, Poor Democracy. He is a professor of communication at the University of Illinois and hosts a weekly talk show, Media Matters, on WILL-AM American Public Radio.
