ECO-JOURNALISM AND SECURITY

Associate Professor Wendy Bacon is programme director in the Faculty of Humanities and Social Sciences at the University of Technology, Sydney. Associate Professor Chris Nash is director of the Australian Centre for Independent Journalism (UTS). Anne Tran provided research assistance for this study. The authors thank her and the respondents at the Second International Conference on Environmental, Social and Cultural Sustainability in Hanoi, Vietnam, in January 2006, and the Public Right to Know Conference in Sydney in April 2006, where versions of this article were presented.
